Primary Leaders in Health Awards, Honoring Community Foundation of Greater Des Moines

May 16, 2017: Join us as we celebrate the accomplishments of Primary Health Care as well as honor a longtime friend and supporter of our mission, the Community Foundation of Greater Des Moines. We are grateful for their longstanding support of our mission! PHC is a federally qualified health center providing health care and supportive services for the underserved living in our communities. Last year, over 36,500 patients were seen at Primary Health Care clinics in Des Moines, Ames and Marshalltown.

We look forward to once again hosting central Iowa's business, non-profit and community leaders at our signature event on May 16, 2017. The festivities will be held at Forte, conveniently located in downtown Des Moines. Plenty of parking is available or walk from work...join us for a cocktail and mingle leaders from across the community!

Full details of the event are listed below.

WHEN: **Tuesday, May 16, 2017**
