

iPhone: Download Zoom App

1. To have a virtual visit with your medical provider you need the “Zoom App”
2. To download Zoom, open the “App Store”

3. In the App Store:
 1. Search Zoom
 2. Look for the Blue App with a White Camera image
 3. Tap Install to download

4. You do not have to create an account
5. Your phone is ready to attend Zoom appointments
6. Your medical provider will send you Zoom appointments by text or email
